Subject: Request for Deadline Extension – [Assignment/calculus]

Dear Professor ,

I hope this email finds you well.

I am writing to respectfully request a short extension for the upcoming [Assignment] due on [30/03/26 Due Date]. Over the past week, I have been dealing with some unexpected health issues that have unfortunately put me behind schedule on my coursework.

I have already completed the initial research and outline for the assignment, but I would greatly appreciate an additional two days, until [02/04/26 Due Date], to ensure the final submission meets the required academic standards.

I understand the importance of deadlines and apologize for any inconvenience this may cause. Please let me know if this extension is possible, or if you need any medical documentation regarding my situation.

Thank you very much for your time and understanding.

Sincerely,
